

## **Cindy Chaffin, APN-C**

Cindy has been caring for the residents of Fulton County for many years. She has been a Nurse Practitioner for the past 21 years and enjoys taking care of patients in the community where she was raised. A farmer's daughter, Cindy can relate to the lives of her patients and their struggles. Most importantly, Cindy is proud that she has been able to provide care to generations of family members, in all stages of their life. In addition to family practice Cindy has experience in Women's Health, Weight Loss and performs DOT Physicals.
