

Dr. Jason Rakita

Rushville Family Practice

Dr. Rakita's background in Biomedical Science, and interest in all aspects of health, inspired him to pursue a career in Family Medicine. Dr. Rakita knows it can feel overwhelming and sometimes frightening to visit the doctor. His goal is to ease those fears and work together with his patients to improve their health and improve their quality of life. Dr. Jason Rakita is a graduate of the Medical College of Wisconsin and is board certified in Family Medicine.

Dr. Rakita is now accepting patients of all ages.
