

Dr. Janelle R. B. Smith, DO Rushville Family Practice

Dr. Janelle Smith is a 2016 graduate of Virginia Commonwealth University's Internal Medicine program. As an internist, she is trained in the treatment of adults with multiple diseases. Dr. Smith believes that with healthy lifestyle choices, preventative measures, and careful management of existing disease, patients can live longer, higher quality lives.

Dr. Smith is accepting new patients ages 17 and above.
